

The Moment That Changes Everything

Imagine a Grade 4 learner standing in front of a class for the first time... speaking English fluently, exploring the pyramids through virtual reality, confidently solving maths problems on a digital display.

That moment doesn't exist yet.
But with you, it will.

**WALKING THE TALK
FOUNDATION**
WE BUILD, EQUIP AND FIX CLASSROOMS FOR THE UNDERPRIVILEGED

The 5km Walking The Talk Fundraiser Event for Galway Primary School's "Classroom of the Future"

Corporate Sponsorship Proposal

Sunday, 12 April 2026 | Germiston Stadium | 7:00a.m.
2,000–2,800 participants

The Reality They Face Today

With over 1,000 children, Galway Primary School in Germiston is one of Gauteng's most under-resourced schools, light years behind the technology era.

Their dreams are big, but the tools are missing. Without intervention, the gap between them and privileged schools grows wider every year.

The Solution That Changes Trajectories

Walking The Talk Foundation (WTF) invites you to join an initiative to build Galway a "Classroom of the Future" – a fully equipped digital learning hub that will foster literacy, numeracy, and 21st-century skills for an entire generation:

45-station
computer
lab + network

CAMI language +
numeracy
software

Virtual Reality
stations +
software

65" interactive
Smart Board +
software +
installation

Full connectivity +
installation + ongoing
teacher training +
support

Become a Super hero

To bring this vision to life, WTTF is hosting the **Galway Primary 5km Fundraiser Walk** on **12 April 2026** at Germiston Stadium from 7:00a.m. Over **2,000** learners, parents, teachers & school staff, community members, corporate teams, and fellow sponsors are uniting to help turn this classroom from plan to reality.

Your investment will fund the construction and equipping of this modern digital classroom. In return, hundreds of participants will be wearing your logo as they cross the finish line. And thousands will see **your logo**. They will be sharing **your story** and celebrating **your impact**.

Your brand won't just be seen, it will be **remembered** as the company that turned "impossible" into **done**.

Return on Investment for **sponsors**

Sponsoring the Classroom of the Future Walk delivers measurable results across **brand visibility, employee engagement, and community impact**.

1.

Brand Visibility & Marketing ROI

Direct Reach:

- ✓ 2,000–2,800 walkers seeing your brand
- ✓ 60,000–120,000 digital impressions across social media
- ✓ 8,000-person mailing list via Galway Primary & WTTF
- ✓ 50,000+ audience through local radio & press
- ✓ Extensive photo/video content with long-term visibility

Event Media Timeline

This timeline outlines the key media rollout phases for a successful event, from initial launch to post-event follow-up.

Media Strategy Recap

From pre-event buzz to post-event analysis, a comprehensive media strategy maximises impact and sponsor ROI.

Cost Efficiency:

- ✓ Cost per impression for Platinum sponsors: < R1.70
- ✓ Brand visibility cost per participant: < R0.50
- ✓ Significant reputational lift through association with educational upliftment

2.

Employee Engagement ROI

Your sponsorship strengthens internal culture and boosts team morale. Benefits include:

- ✓ Wellness-oriented team building (80–400 walk entries)
- ✓ Pride and purpose tied to a high-impact education project
- ✓ Positive employer branding through visible community support

3.

Community Impact ROI

Your company accelerates digital education for 1,000+ children annually.

Five-year impact projections:

- ✓ 5,000+ learners gaining digital fluency
- ✓ Improved English comprehension and numeracy via CAMI software
- ✓ Access to VR learning experiences
- ✓ Ongoing teacher upskilling
- ✓ Stronger educational outcomes in a historically excluded community

Your investment drives both immediate transformation and long-term upliftment.

ESG Alignment: Strengthening Your Corporate Commitments

- **E – Environmental Benefit:**
Reduced paper use through digital learning tools
- **S – Social Impact:**
Empowering 1,000+ learners with digital access
- **G – Community Governance:**
Transparent reporting, monitoring, and 18A compliance

The Ultimate Hero Reward

Macsteel has already contributed R200k from the proceeds of their Space to Grow Golf Day to get Galway's Language Lab going. Now they have partnered with WTTF to complete the build!

Help us cross the finish line and stand a chance to win big!

The company that rallies the most support will be crowned the **Impact Champion of 2026** and rewarded with a grand prize of **cutting-edge technology**, valued at over **R40,000!**

Tax Superpower

Every rand is Section 18A deductible.

Your CSR budget goes further, and SARS picks up part of the tab.

Be the **Hero** This Story Needs

One partnership.

One walk.

One thousand futures rewritten.

Let's make history together.
